

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 11, 1996

SUBJECT: **HB 2383 - SB 2529**

This bill, if enacted, will provide for both criminal sanctions and civil liability against a person who knowingly offers, gives or loans anything of value to a student athlete to induce him/her to enter into a sports agreement during the athlete's period of eligibility.

The fiscal impact from enactment of this bill is estimated to be an increase in state revenues to the extent damages are awarded and collected by the student athlete's institution for such violations of the provisions of this bill. The amount of such increased revenues cannot be determined but is estimated to be not significant.

In addition, the fiscal impact from enactment of this bill will depend upon the number of persons convicted of this offense and the resultant increased cost to local governments to confine such persons versus the increased revenues to local governments from fines levied and collected under the provisions of this bill. Therefore, the fiscal impact cannot be readily determined, but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
